

**SPATIAL EXPERIENCE GROUP
LIMITED – ECOBAGS**

OUR STORY

- **SPATIAL EXPERIENCE** Eco-Bags Products, a simple goal is to produce quality bags at great prices so that "*Reusable becomes a way of life.*" we make, Brand Classic String Bag, a simple lightweight, expandable cotton net bag used in the world for generations, long before paper and plastic bags.

We understand that single-use plastic bags are wasteful and costly to the environment and citizens and that "bringing our 'ECOBAGS' will make a difference.

Everyone is beginning to understand that when you "throw away" a single-use plastic bag, there is no "away" and that wanting to live in a clean environment means you need to participate in keeping it clean.

Our Mantra

"cleaning up the planet one bag at a time"

Here's what we're doing now

- **WHOLESALE - RESALE/RETAILERS:** The **SPATIAL EXPERIENCE ECOBAGS** Market-Collection; Ready To Rack classics in retail packaging or, our complete line of bags available with hang tags only.
- **CUSTOM PRINT:** From Retail & Brand promotions to organizational or personal events - we custom silk-screen with eco-friendly inks on our **SPATIAL EXPERIENCE ECOBAGS** totes. Choose from different sizes and styles - from drawstring bags to lunch bags, to full size shopping and promotional totes in sustainable fabrics.
- **MADE TO ORDER:** From concept to production, we are a custom bag makers, bringing our creative and production team together with your designs and brands, to deliver quality goods produced in socially responsible and certified locations.
- **RETAILERS NATIONWIDE and WEB E-TAILERS:** You can find **SPATIAL EXPERIENCE ECOBAGS** Brand in natural foods, gourmet, eco, grocery and drug stores and online. If you cannot find our products in your local store
