 - Meru Town = 1 Wall Branding
 - Maua Town = 1 Wall Branding
 - Githongo Town = 3 Wall Branding
 - Mwea Town = 1 Billboard
-
- Which has Local authority approval and has provided excellent results for other clients that have used it. Some of the sites have been under contract for 2 ½ years with a long standing client.
 - We operate nationally with certain offerings, our Billboard & Street light offerings are in Central and Eastern part of Kenya . Our Management has an extensive track record in the outdoor industry having been responsible for some of the most spectacular and adventurous outdoor projects to date in Kenya as well as electronic display systems.

1. SITE DEMOGRAPHICS

The sites on offer is located on the **Embu -Meru-Maua (Meru –Nanyuki)** Due to the speed restriction and the fact that there so man speed bumps erected in these roads , traffic is slow at this point and the traffic drives straight towards the sites. These site offers prime viewing exposure from both elevations.

2. IN CHARGE DATE

The site is available now.

3. PRODUCTION COSTS

- The above costs exclude the production cost of the flex-face, which is for the client's account. All assistance will be rendered to our clients in co-ordinating the production and posting of the advertising material.
